About Latvia

Latvia, the pearl of the Baltic States, is located in the north-east of Europe on the shores of the Baltic Sea.

Since ancient times Latvia has been at the cross-roads between East and West, North and South. Latvia today is a multicultural society where traditions of all these countries have merged, creating a unique environment the likes of which are not to be found anywhere in the world.

Wherever you come from, you are likely to find people from your country who have chosen to live, study and work in Latvia.
